Lunch Provided (RSVP Required) at 12:30pm • Workshops start at 1pm • 1240 Driftmier

Mindset & Metacognition

August 27, 2024

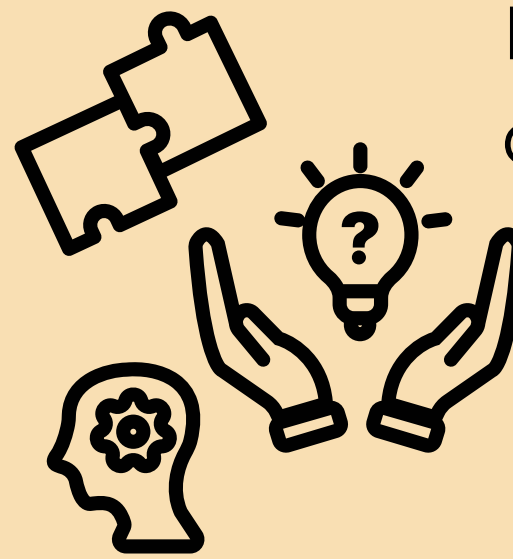

Explore the power of mindset and discover how to encourage self-regulated learning.

Hosted by EETI

Learning Environments

September 24, 2024

Not all environments are conducive to learning. In this workshop, we will discuss how to create and facilitate effective learning environments.

Backwards Design

October 22, 2024

Change your classroom goals to focus on what your students should be able to do and not on what material needs to be covered.

Alternative Assessments

November 19, 2024

Active Learning creates frequent opportunities for assessing student learning. We will discuss Alternative Grading as well.

November 2024

Accepting applications for small-group coaching through course redesign.
